Unique decorative coverings; creative, attractive one-of-a-kind finishes; dynamic, ultra-modern design to brighten up everyday life.

Available in different shades of grey (determined by the shade of the main course, which can vary from medium-grey to black) and texture finishes (depending on how the installer moves the trowel – in wide sweeps or short arcs) and, as always, cured in a flash.

For restaurants, boutiques, furniture stores, bars, public buildings... and wherever good design and top quality are a must.
